## **The Twelve Steps of Alcoholics Anonymous**

- 1) We admitted we were powerless over alcohol - that our lives had become unmanageable.
- 2) Came to believe that a Power greater than ourselves could restore us to sanity.
- 3) Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
- 4) Made a searching and fearless moral inventory of ourselves.
- 5) Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
- 6) Were entirely ready to have God remove all these defects of character.
- 7) Humbly asked Him to remove our shortcomings.
- 8) Made a list of all persons we had harmed, and became willing to make amends to them all.
- 9) Made direct amends to such people wherever possible, except when to do so would injure them or others.
- 10) Continued to take personal inventory and when we were wrong promptly admitted it.
- 11) Sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
- 12) Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

## **The Twelve Traditions of Alcoholics Anonymous**

- 1) Our Common welfare should come first; personal recovery depends upon A.A. unity.
- 2) For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
- 3) The only requirement for A.A. membership is a desire to stop drinking.
- 4) Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
- 5) Each group has but one primary purpose - to carry its message to the alcoholic who still suffers.
- 6) An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
- 7) Every A.A. group ought to be fully self-supporting, declining outside contributions.
- 8) Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
- 9) A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
- 10) Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
- 11) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.
- 12) Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
